

High School Distracted Driving Grant

A number of government agencies and State Farm Insurance have teamed up to provide teens with an opportunity to promote awareness about distracted driving. It's easy, fun, and there is a **\$500** reward for groups who participate! This grant money can be used in whatever way you like!

How to Apply:

- Go to WTSC Enterprise Management System (WEMS)
<https://wtsc.smartsimple.com>
- If you are a new user you will need to register for School Grants on the left hand side of the screen.
- Enter your organization (high school) name and proceed with your contact information and submit.
- You will receive an email with login instructions within an hour (Be sure to check your junk mailbox).
- After you receive your email, log into WEMS and click "Start Proposal" next to the Distracted Driving Grant under "Funding Opportunities."
- Be sure to start the application process by clicking "SAVE DRAFT." You'll see a link to a document called "Guidelines/Instructions" where you'll see more details about the application process.
- Choose the **five action steps** that your group will complete and submit your application online through the WEMS system.
- Once your application is approved, you will receive an email confirmation and a copy of the A-19 form that you will need to submit after your five steps are completed.

How to get your money:

- After you complete your five action steps, send us your completed A-19 form and proof of what you have done (photos or some other documentation) to mdell@wtsc.wa.gov.
- Your school will receive the grant funds once the A-19 form is submitted and approved.
