- Washington Association of Sheriffs & Police Chiefs (WASPC) Traffic Safety Subcommittee
- Target Zero Managers

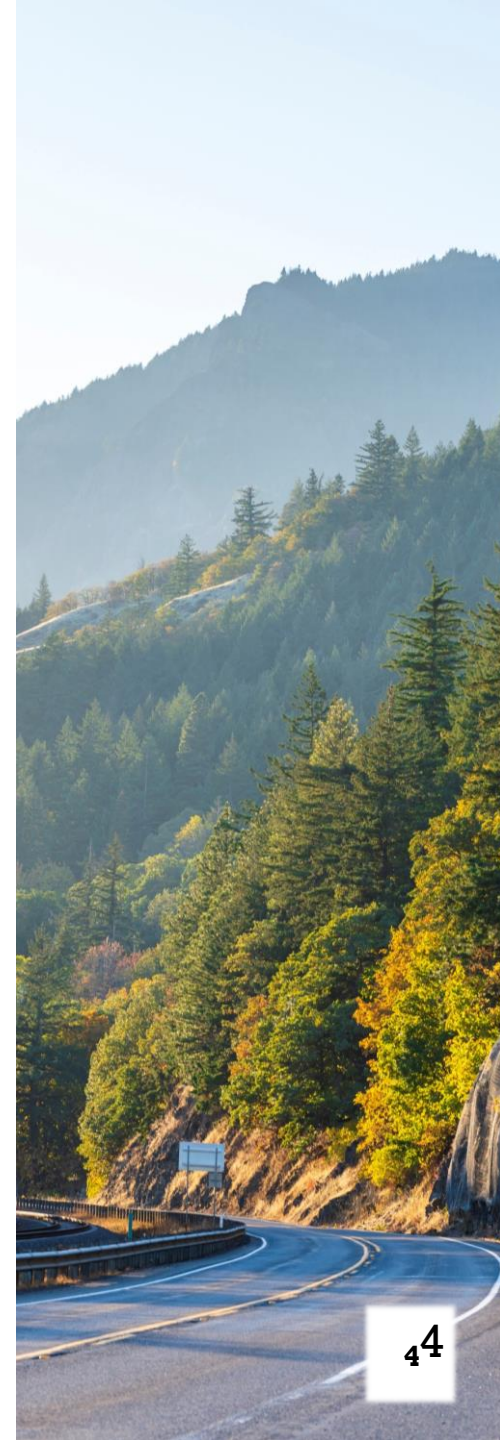

# COOPER JONES ACTIVE TRANSPORTATION SAFETY COUNCIL

- Merged 2 separate groups into the Cooper Jones Active Transportation Safety Council (ATSC)
- Developed new submission process
- Defined “equity” for active transportation
- Work prioritization
- Action Teams
  - Automated speed enforcement in school walk areas
  - Due care standard for walkers, same as for drivers
  - Defining “Traffic Safety”
- See: <https://wtsc.wa.gov/programs-priorities/active-transportation-safety-council/>

# HIGH VISIBILITY ENFORCEMENT (HVE)

- Full Implementation of Digital Activity Log
- Making room for new strategies
- Reducing HVE footprint
- Redesign for 2022

# DRUG RECOGNITION EXPERTS (DRE)

- DRE Change Project - partnership with WSP
- 4 phases
  1. Establishing program status & direction
  2. IACP report implementation
  3. DRE program outreach
  4. Program maintenance

# DRE ADVISORY BOARD

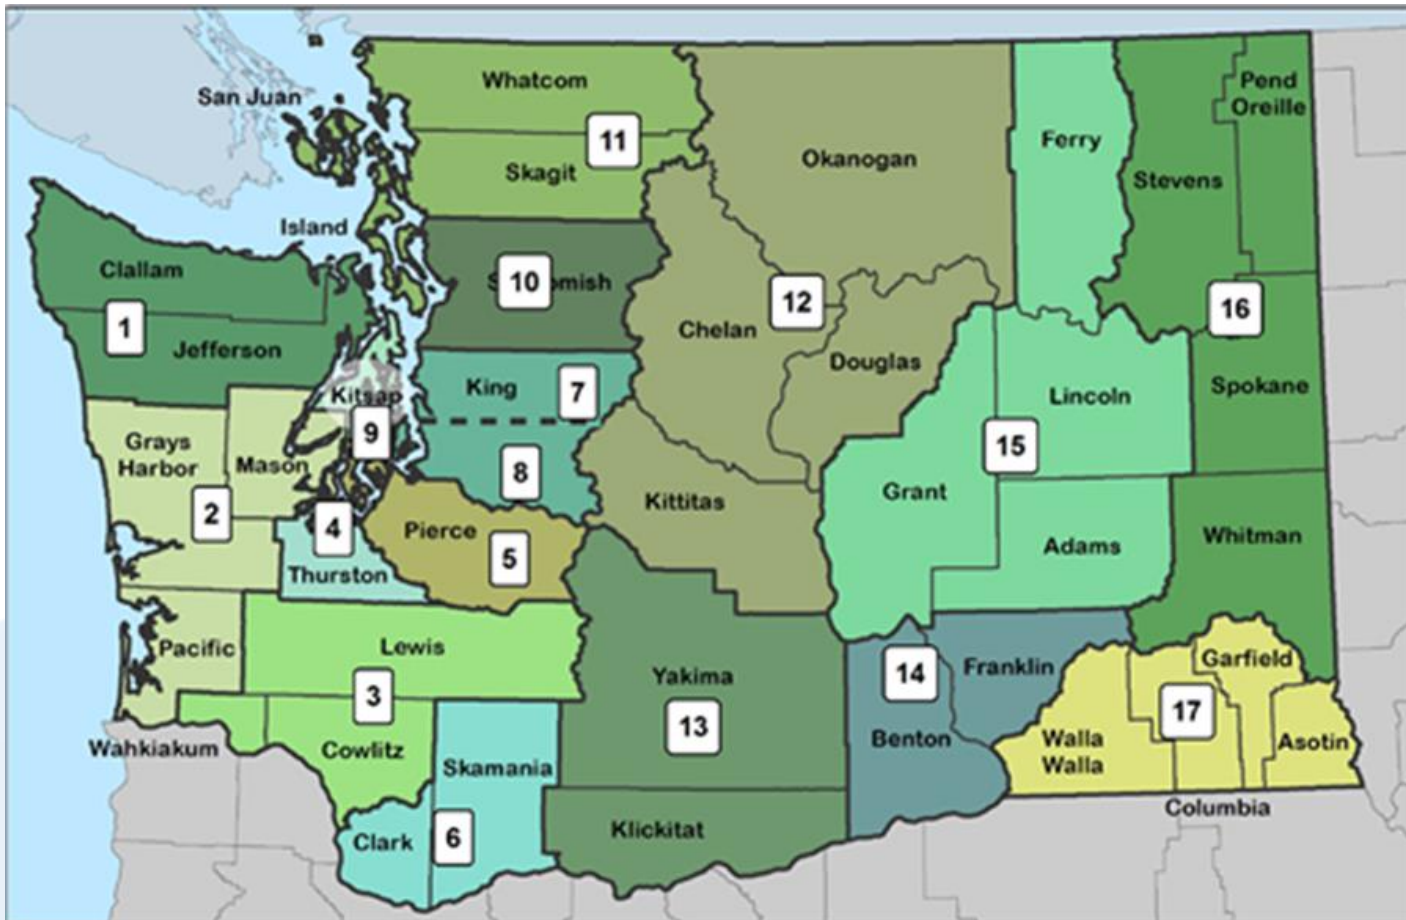

- DRE Advisory Board
- Stakeholders: WSP, WTSC, City and County Law Enforcement, Tox Lab, Traffic Safety Resource Prosecutors
- Goals:
  - Increase program engagement
  - Improve communication with partners and stakeholders
  - “...planning for a future of excellence.”

# WASPC TRAFFIC SAFETY SUBCOMMITTEE

- Goal: find new opportunities and strategies
- Partnering with WASCPC subcommittee
- 3 tasks:
  - Identify the most successful law enforcement traffic safety programs
  - Recommendations for increasing engagement of law enforcement leaders
  - Advise WTSC on potential new grant funded programs

# TARGET ZERO MANAGERS

17 Target Zero Managers - 9 Hosted - 8 Contracted

# TARGET ZERO MANAGERS

1. Conduct Assessment and Planning
2. Region Task Force Leadership and Management
3. Focus on outreach and media
4. Coordination of local efforts in HVE
