

Students Are Safer When Drivers Slow Down

Traffic Safety is Important to Everyone Driving the speed limit reduces risk of injury and serious harm for drivers, passengers, and pedestrians. Make a deliberate choice to slow down, focus only on driving, and consistently wear a seat belt to demonstrate you care. Traffic safety culture is driven by daily choices. Together we make the roads safer for our children and youth!

Tell the Story Connect with concerned stakeholders and decision makers to slow speeds and mobilize your community. Share your data, create care and concern, issue a call to action, and engage community members:

- ⇒ Provide and collect a [parent-teen driving agreement](#) when students apply for a school parking permit to promote safe driving expectations
- ⇒ Adopt the free peer-to-peer [Teens in the Driver Seat program](#) to reduce risks and raise cash funds for your school club.
- ⇒ Encourage drivers 16-25 to use the free [You in the Driver Seat app](#) to earn free gift card rewards for safe driving. [Provide your mailing address](#) to request app cards to share with teens.

Slower Speeds Save Lives Speeding increases danger for everyone crossing streets or driving, walking, or rolling to school. Take these steps to slow traffic and improve student safety:

- ◇ Use this data brief and the [Speed Safety Cameras Readiness Guide](#) to educate decision makers to adopt automated enforcement to slow speeds around critical places kids live, learn, play, and travel.
- ◇ [Explore lowering speeds](#) to 20 MPH on school walk routes to protect school children and families.
- ◇ Engage teens with [traffic safety contests and scholarships](#) with cash awards!
- ◇ Share [safety messages](#) in your social media to promote a traffic safety culture in school zones and other places children and youth visit in your community.

Survey results show:

- ⇒ Nine of every ten drivers observed were exceeding the 20 mph school zone limit. Most speeding drivers were traveling 26-30 mph in the active school zone.
- ⇒ Three drivers were observed traveling 31-35 mph in the active school zone while children were present.
- ⇒ Eleven school bus drivers were observed and five were traveling at or below the 20 mph school zone limit. Six school bus drivers were traveling 26-30 mph in the active school zone, also exceeding the regular posted speed limit.
- ⇒ Drivers entering the school were just as likely to be speeding as drivers passing through the area, and traveled at similar speeds when they were speeding.

Observation Notes

Observations were collected near the school entrance on School Rd. The regular posted speed limit is 20 mph with additional 20 mph school zone limit when children are present signage. The area is surrounded by residential housing, with School Rd. becoming Brumback Ave. NE servicing a few neighborhoods and the middle and high schools.
