Follow-Up: For the April Commission meeting:		
<ol style="list-style-type: none"> WTSC staff will research the WTSC statute to determine whether the approval of grants is a staff function or a Commission function. If it is determined that approval of grants is a staff function, then the approval process may be delegated to staff. WTSC staff will prepare briefing materials for Commissioners for review prior to the April meeting showing detailed information at the activity level so they may make an informed decision on which grants to approve. Determine whether the approval process for the 2020 grant cycle needs to be delayed until June or early July 2019.
